

### **Chris Patterson**

Chris Patterson is the owner of Western Hearth Distributors, located in Idaho Falls, Idaho. He earned his bachelor's degree in 2010 and began working in the hearth industry immediately. He worked at family-owned Gas Products Inc. in all aspects of distribution and sales. He and his wife took ownership in 2018 and rebranded to Western Hearth Distributors. The company specializes in the distribution of fireplaces and venting throughout southern Idaho. He's watched the industry go through tremendous change and growth and enjoys being a part of it.

Chris is married with four children. He enjoys playing golf, following sports and spending time with his family.
