

Jessica Voss-Kehl

Jessica joined the Board of HPBA in October 2022, and currently leads the Governance Task Force and serves on the Affiliate Board Committee. She is the Vice President of Product Innovation at Hearth & Home Technologies, where she has worked since August 2022. She holds a B.S. in Chemical Engineering from Northwestern University and spent the first twenty-two years of her career leading innovation at 3M across a wide variety of industries ranging from electronics, collision repair, dentistry, and transportation safety.

Jessica is married and has two teenage sons. She enjoys traveling, being active in the outdoors, reading and skills-based volunteering. She currently serves as Vice President of the Board of Directors for non-profit Eagle Bluff Environmental Learning Center in Lanesboro, MN.
