

Steve Haagmans

With over a decade of experience in HVAC, Steve Haagmans accepted a position in 1998 with Miles Industries Ltd, the exclusive manufacturer and distributor of Valor gas fireplace products, as a Sales and Technical Representative. One year later, he took on the role of Sales Manager for Eastern Canada, a position he still holds today.

Steve feels fortunate to be part of a team of dedicated individuals that have worked hard to grow Miles Industries' presence in North America.

In the last few years, he has served on various HPBAC and HPBA committees, continuing to learn more about the industry and the challenges it faces. This has given him a better understanding of the necessity of HPBA; to protect what so many people have worked so hard to create and preserve an industry for future generations to enjoy and work in.
